

Musical activities for classroom

Form of the group: no special formation of classroom

Level: Pre - school & Primary

Type of Game: Follow the leader

Objective: Enhancing non verbal communication, self - esteem and concentration

Activity:

Step 1: Teacher / Leader performs a simple body percussion. Students need to listen, observe and repeat.

Step 2: Teacher / Leader performs a body percussion accompanied by sounds or words.

Students listen, observe and repeat

Step 3: Students can become leaders.

Alternations:

- Teachers can use this in teaching language. Introducing the correct pronunciation of the words through a game. Movements should match with the accent of the words in order to help students understand the words.
- If you have a classroom with migrant students you can create this game as morning routine and say good morning in various languages.
