

Musical activities for classroom

Form of the group: sitting on desk

Level: Primary, Secondary

Type of Game: Clapping game

Name of game: Seven

Objective: Concentration, coordination, energizer

Actions:

Teachers and students count to a steady beat up to number 7.

Part 1: tap hands on desk 7 times

Part 2: tap - clap - tap - clap - tap - clap - tap

Part 3: tap - clap - snap - tap - clap - snap - tap

Part 4: tap - clap - snap - clap - tap - clap - snap

Then when you reach to the last part you go to part 4, part 3 and part 1. So you actually count 7 times 7.

Tips:

- Do not try to teach all the game at once. You can build up step by step.
- Ask your migrant students to tell you one syllable words that can match on the beat and add them while counting to seven. It can be numbers, colours, actions.
- Ask students to become leaders and find other ways to play a variation of this. Match new actions.
