

Musical activities for classroom

Form of the group: pairs

Level: Primary, Secondary

Type of Game: Show my Voice - Say my Movement

Objective: Communication, creativity, self confidence

Actions:

Show my Voice

Two students stand opposite to each other. One student makes various sounds and then the other student should move his/her body following the sound of the voice.

Students change roles.

Say my Movement

Two students stand opposite to each other. One student makes various movements and the other student should make sounds that will match to first person's voice.

Tips:

Expressing either with voice or with movement in front of other people is not easy. Teacher, in order to encourage their students should engage themselves in this activity.

Teachers should also be the role models towards their students.

Such activity can encourage students to express themselves through a fun activity.

Teachers should always remember to keep this activity fun.
