

# Teaching practices in musical way

**Form of the group:** sitting on their desks or in a circle

**Teaching Activity:** Pantomime

**Props:** Titles of songs written on cards - Karaoke Version of song on YouTube

**Objective:** Ice-breaking, energizer, self confidence

- Students split in teams.
- One person from the team takes a card with a Title of song written
- Student should pantomime the title in order the team members will find the title of the song.
- When the team finds the title then they step in from of the classroom and sing the refrain of the song accompanied by Karaoke Version.
