

Teaching practices in musical way

Form of the group: Free to move

Name of activity: Klanza scarf

Objectives: Relaxation, coordination, collaboration, energizer

Description

Teacher shares one scarf to each child.

Teachers plays the music. As far as music is played kids have the scarf and dance with it.

When the music stops kids should through up to the sky the scarf and take a new one. No scarf should fall on the floor.

Kids are nor allowed to exchange hand be hand the scarfs. Only to through it in the air and catch another one.

Music continues playing and kids dance with the new scarf.

Tip: ask from students that if they find the same scarf to share with another kid then they have continue sharing it and dance together.
