

# Teaching practices in musical way

**Form of the group:** sitting on their desks

**Name of activity:** Call and Respond

**Objectives:** active participation, energizer, fun

## **Description**

When the teacher wants to sum up a lesson he/she can rhyme questions.

All classroom plays the rhythmic patten "We will rock you" and sing the phrase.

Tap the rhythmic patten two times.

Ask the question in rhyme

Tap the pattern two times

Students answer in rhyming style.

## **Tips:**

The questions given from the teacher must be answered with 1 - 2 words and not a whole phrase.

This will help kids answer all together keeping the beat.
